SUMMARY

Motivated web developer specializing in crafting responsive, user-friendly interfaces and robust web solutions. I enhance user experiences with a keen focus on front-end development. Actively expanding my expertise into AI and machine learning, I am eager to apply my growing knowledge within a collaborative team. Committed to continuous professional development, I aim to leverage my technical abilities and innovative thinking in dynamic environments. Dedicated to continuous learning, I stay current with the latest web development trends and best practices.
